Help Us **Protect Our Animals**

4R Animal Shelter is organized exclusively for charitable purposes to provide a safe haven for horses, and other equine and farm livestock that have become victims of neglect, abuse or abandonment, or whose owners are no longer able to care for them. The main goal is to rehabilitate, retrain and, when possible, to re-home these animals through a comprehensive adoption process.

4R Animal Shelter will provide training, educational and therapy events for veterans, EMT's, Police Officers and Fire Fighters, support staff and families under an ongoing program using the shelter horses in support of an equine assisted psychotherapy setting.

4R Animal Shelter will offer public events to offer education on the process of rescuing animals.
