

Helping You Climb To Communication Success!

— About Us

Welcome To

Mountain Speech Language Services

We assess and treat a wide range of disorders and differences of speech, language, literacy, cognitive-communication and swallowing. Our focus is to provide personalized and effective therapy solutions tailored to each individual's strengths and areas of need. At Mountain Speech Language Services, we are dedicated to helping individuals of all ages improve their communication skills and overcome speech and language challenges. Our team of speech-language pathologists and communication disorders assistants are here to help you climb to communication success!

Our Mission

Our mission is to elevate individuals to communication success in all facets of life—be it at home, work, school, or within the community. We are committed to empowering our clients, fostering effective communication skills, and enabling meaningful participation in every aspect of their daily lives. Thank you for entrusting us on this journey.

Our Vision

Through helping individuals climb to communication success we ensure that everyone has an equal opportunity to participate meaningfully in everyday life. We envision a long-term future where healthier people flourish in the healthier communities of Hamilton, Niagara Region and everywhere in between.

Our Values

We celebrate diversity as a strength, weaving joy, accountability, respect and compassion into the fabric of our culture.

Meet Our Team

Amanda Longo

Virtual Admin Assistant

Amanda is a caring and compassionate person who is an excellent addition to our growing team. She is a graduate of the Medical Office Administration program at Mohawk College in 2013.

Amanda has over 10 years of experience working as an administrative assistant including at Juravinski's oncology clinic front desk and in a family medicine practice helping to keep six doctors organized from day to day.

When Amanda is not working she enjoys spending time with her family and friends, watching her favourite TV shows and spending time outdoors.

"From a young age, I have been interested in the medical field. I enjoy being the first contact for patients and clients so I can help to welcome them, coordinate appointments and answer any questions they might have."

Paul Mascio, B.Ed, OCT

Education Consultant

Paul is a certified Ontario teacher with over 20 years of experience in junior and intermediate grades. He brings a fun and creative energy to support children's learning. He's passionate about literacy and helping children climb to reading success in school.

Paul has consulted on the "Let's Read" literacy camp curriculum for Mountain Speech Language Services. He is also available for tutoring and consultation to compliment speech and language services for school-aged children.

"I love to teach! Those ah-ha moments, when you connect with a child and they get it – it is the most rewarding feeling. In my spare time, I love playing and watching sports, especially my boys' soccer teams. I am a big fan of music, engineering feats and world history."

Allison Fox, B.A, CDA

Communication Disorders Assistant

Allison is a Communication Disorders Assistant, who has been working in the field for nearly 17 years. Allison is a graduate of Brock University with a B.A(Hons) in Linguistics, Communication Disorders Stream and holds a post graduate certificate as a Communication Disorders Assistant.

For the past 17 years, Allison has worked with neurological injury and differences with a particular interest in language and building Augmentative and Alternative communication devices (AAC) for non-speaking clients.

Allison resides in the Niagara Region with her husband, children and puppy. In her spare time, she is an avid singer and performer, particularly in Musical Theatre. She also loves cheering her children on in the arena or on the dance stage.
